

Curriculum Guidelines Grades 7-12

The ANHC School Program provides the student a hands-on learning experience about Native Cultures. At the same time, it offers the student opportunities to learn and meet ASD curriculum goals and objectives in Social Studies, Art, and Language Arts. The following is a guide showing how a typical school visit or Shavila Assembly can help meet curriculum goals and objectives.

Middle and High School Social Studies

ASD Content Overview

Grade 7: *Alaska Geography and History*-Understanding the history and geography of Alaska's first inhabitants.

Grade 8: *Ancient World Civilizations*-Understanding the cultural significance of Alaska's Native people prior to European contact.

Grade 9-10

9th Grade U. S. History Circa 500BC-1800

10th Grade Circa 1763 to present-

Examining the state's history and cultures of the Alaska Natives from pre-contact through Russian influence, U. S. purchase to present day.

Grade 11-12 *Geography/Area Studies, U.S. Government*-Students should understand and be able to evaluate how humans and physical environments interact. Students should

understand the character of government of the state.
